Correspondence

Out of school care has provided the PAC with \$5000. \$3000 for the fun fair and \$2000 for agendas

The PAC was approached to provide allergy friendly items for next year which is being looked into

Administration Report

Camp is tomorrow

The staff is happy, it was a good year

The district has 5 days to hire 400 teachers

Staffing changes - Mr Bill Whitfield and Ms Catarina Williams are leaving. Mrs Cheryl Bennett, Mrs Nola Doll and Ms Elizabeth Williams are retiring

The district is growing and the enrolment numbers are up. Class sizes will be smaller, we are able to add up to 17 divisions and definitely be able to maintain what we have

There will be more combined (split) classes next year. Requests are considered very carefully.

All classes will have a continuum. Grades are only assigned by age. Each grade has a board spectrum of learning abilities. Classes must be confirmed by September 30. School will make sure students are placed for their best fit which might not be with best friends. Parental confidence makes all the difference
