Administration Report

- Town of View Royal is looking to make changes to the traffic pattern on Rudyard and Stormont to make it easier on the homeowners – maybe a one way street? Parents need to be vigilant on the changes that might be made and be good about providing feedback to the town when requested. Mark to put on website so parents know whats going on.
- BC Education Plan – focus on learning – www.bcedplan2015.com for more information
- Staffing for next year – looking at approx. 370 students – may need another classroom. We are at 338 students as of today.
- Earthquake comfort kits will be a go for September – which require each parent to send a small Ziploc bag with some items for their children that will comfort them if needed.
